Mobile Office

CommuniGate SYSTEMS

Deliver Mobile Unified Communications as SaaS

Mobile Office is a Value Added Service (VAS) for business subscribers. Mobile Office is designed for Mobile Operators to offer business class Unified Communications to micro or small businesses as a hosted or SaaS solution.

The Mobile Office platform is a multi-tenancy hosting platform that resides on the Mobile Operator network.

Mobile Office is a compelling and sticky VAS that drives data traffic on your 3G network!

Business subscribers create 3 times higher ARPU, and have 6 times lower churn rates compared to consumer

* According to a recent survey conducted by CommuniGate Systems
